ABOUT AI INSIGHT

AI Insight's comprehensive online platform offers access to alternative investment research, training and compliance documentation tools. These capabilities give you the confidence you need to expand your product lines.

WHY INSIGHT?

AI Insight gives you the opportunity to connect with other alternative investment industry professionals, research and train on specific funds, and keep detailed compliance documentation — all on one convenient, online platform.

- ✓ Use AI Insight to perform thorough, independent analysis of investments before presenting them to clients
- ✓ Require regulatory-compliant training on funds from your advisors, customized to your firm's requirements
- ✓ Conduct performance monitoring on hundreds of funds using timely financial reporting data, including leverage statistics, capital raised, distribution ratios and more
- ✓ Track and store detailed compliance documentation on training and research
- ✓ Opportunity to improve E&O coverage and reduce rates

INVESTMENT TYPES SUPPORTED

- ✓ Closed-end Funds
- ✓ Private Equity
- ✓ Private Placements
- ✓ Managed Futures
- ✓ Liquid Alts
- ✓ Energy
- ✓ Hedge Funds
- ✓ DSTs
- ✓ REITs / BDCs
